Description

A wonderful pair of wooden candlesticks, always a winning combination, polished Oak and brass and the size is phenomenal, it has been many years since I have come by such a tall pair, towering 17". Not to be confused with a simple pair of twists, these are the highly sought-after "open" twists, with two hand carved twists spiralling around each other. The highly decorative cast brass drip trays are to protect the wood from hot wax drips, the brass re-polished to gleam. Excellent condition, the base having a diameter measuring 6".
