Description

A fabulous campaign style cocktail shaker, unmarked, but I would imagine English in origin dating to the Art Deco era, around 1930. Made from silverplate, the lid lifts off to reveal the inverted lid of the cocktail shaker with a gilded finish and incorporating an ice breaker. The inside of the shaker base contains four graduated little cups, again with gilded interiors, each stacking into each other and stored. Excellent condition with minor wear commensurate with age. 3 1/4" in diameter across the lid x 4 5/8" tall. Item ID:39085 FREE Worldwide Registered Airmail Directly From London, England
