Description

This antique William IV slim buffet is very good quality & in great original condition. It has four turned solid mahogany columns that taper upwards. The top is polished, the shelves are all fixed & it sits on a strong plinth base. I've never come across anything like this before. It's structurally sound & has just been gently polished. I would date it to around the 1830-40's period. Width - 19.7", 50 cm Depth - 17.5", 44.5 cm Height - 59", 150 cm
