Description

Impressive Art Deco uplighter in full chrome with a trumpet shade. This is a very stylish floor lamp indeed and in remarkably good condition and extremely tall - standing a whopping 192cm. Features a circular stepped base, central pole all leading up to a trumpet shaped hood. All totally authentic. These fabulous uplighters give off the best ambient lighting to a room and are becoming increasingly harder to source. The entire lamp is in excellent condition, there are signs of age to the base in one area but this only serves as an indicator of this pieces true age. Fully rewired, just plug in and you're ready to go.
