Description

Pair of antique Swedish mahogany armchairs with Trafalgar backs, scrolled over arms, sabre legs & some really good carvings. The styles are almost a cross over from Regency to William IV period. The carvings being typical William IV. The backs & legs are Empire or Regency, which are quite similar. Either way, they are fine quality & have generous proportions. I would date these chairs to around the 1880-90's period & they are in excellent condition. The seats have just been re-upholstered. Width - 23.6", 60 cm Depth - 23.6", 60 cm Height - 36", 92 cm Seat Height - 19.3", 49 cm
