Description

Antique double pine wardrobe in lovely condition for its age. Made in 1892, the makers name and date have been written inside the wardrobe. It has very nice panelling to this piece of furniture, including the doors. The top has a decorative centre piece which gives the wardrobe a grand regal feel to it. The many layers of the original paint protect the antique furniture, so when it is stripped to the bare wood, as this wardrobe has been, it reveals a very clean and tidy wood. It is now ready for re-painting or waxing. In our opinion it would look beautiful wax polished. The price includes our professional wax polishing service. A new brass hanging rail will be fitted. If you would also like a shelf please let me know. This wardrobe totally dismantles making delivery and access very easy. Height 87.5", width 59", depth 24", internal depth 18.5"
