Description

A nice looking antique pine wash cupboard dating from 1920 in very good condition. It has two small drawers with white poreclain knobs, a double door cupboard with a single shelf and a removeable wash upstand at the top. The wash stand compliments this piece but if you would prefer us to remove it then please let us know. A lovely piece to have in your bathroom to store towels, toiletries etc with the addition of the stand on the top for all your favourite bottles and a mirror to have on show. The original lock and key are working nicely. Stripped to the bare wood it is now ready for waxing or painting, or you can buy it as it for a reduced price of £290. In our opinion it would look lovely painted. The price includes our professional wax polishing service, please contact us for a quote if you'd like us to paint it for you. Height (to top of washstand) 42", surface height 30", width 36", depth 20.5"
