Description

A superb GARRARD of LONDON bracket clock of small proportions. An 8 day movement striking the Westminster chimes on the quarters and the hour. It has just been fully serviced by our BHI registered staff. The hammers strike on rods and produce a beautiful mellow tone. The 5" silvered dial has engraved Roman numerals and a brass bezel with a convex glass. The clock is fitted with a STRIKE/SILENT button. The honey coloured walnut case is superb with a beautiful age related patina and it has a brass carrying handle and side glazed panels through which the movement can be seen. A gorgeous looking clock from the Queens jeweller. The original winding key completes this clocks proud ancestry.
