Description

A most charming and solid French cupboard with one drawer and shelves underneath. Incredibly original with chipped old paint in terracotta colour, lock in drawer not working but the one on the cupboard door works perfectly with its original old iron key. Chunky dovetail joints typical of the era and style. C1870-1890. Well used and has plenty age related marks but nothing major to mention. Perfect for shabby chic or country style interiors. Solid and sturdy with great patina No restoration done just a very light dusting. Very heavy. Measurements: (all approx.)
