## Description

Antique Georgian mahogany Pembroke table with fine satinwood inlays & a strong satinwood banded edge on the top. It has a long drawer on one side & a dummy drawer on the other side, both with brass handles. The legs are very elegant too. They are tapered & culminate in spade end feet. I would say this piece dates from around the 1820's period & it's in great condition having just been polished. The drop flaps are not warped & everything works well. Width closed - 21", 54 cm Width open - 37", 94 cm Depth - 39", 99 cm Height - 28", 71 cm
