Description

Very comfortable pair of antique Swedish upholstered armchairs with Satin Birch frames, claw & ball feet & some fine carving below the seats. The Satin Birch wood is nicely figured, with that typical silky two tone finish. These armchairs have just come over from Sweden & have been polished, plus re-upholstered with new feather cushions. They are extra comfortable because of the slightly curved backs. I would date them to around the 1910 period. Width - 28.3", 72 cm Depth - 28.3", 72 cm Height - 32.2", 82 cm Seat Height - 18.1", 46 cm
