

SA441574

1919 Waltham Traveler full hunter pocket watch & chain

Price

Sold**Item Reference: SA441574****Date of manufacture: 1910**

Description

Antique 1919 Waltham Traveler full hunter pocket watch & Chain. The watch has a stem-winding movement which is working nicely. The movement is fully signed and it has the serial number 23280205 which dates it back to 1919. The movement is protected by an inner hinged cover. The watch itself measures 50.3mm diameter excluding the winding stem and the loop. The case is 10ct gold filled and is the Moon model made by the Dennison Watch Case Company. The case has light surface marks from use but overall it is in nice condition for a 1910s piece. The winding crown pushes in to open the front cover. Inside there is an acrylic lens which is in nice condition. The dial is signed Waltham U.S.A. The dial has a faint hairline crack under the sub second dial and a small nibble to the outer edge at 4 o'clock but otherwise is in nice condition. The watch has its original gold hands and a later blued steel sub second hand. The watch comes on a vintage gold plated albert chain which measures 31 cm including the T bar and clasp. The watch comes in a new presentation box.
