Description

A fine quality Scottish domestic regulator clock in beautifully figured rosewood. The hood with carved decoration pediment and cast brass bezel. The glazed trunk door and sides adorned with finely executed scrolled mounts. The richly figured box base with scrolled carved work to the canted corners, surmounted on a shaped and moulded plinth. The original mirrored backboard and rosewood veneered case interior. The circular engraved silvered brass dial with outer minute track and Roman numerals for the hours, with subsidiary zone for seconds, signed to the centre WC Shaw, 92 Buchanan Street, Glasgow. The fully restored high quality movement of eight day duration striking the hours on a blued steel curled gong. Fine quality wheelwork with high count leaf pinions, Harrison's maintaining power and deadbeat escapement. Polished brass weights, brass spoked pulleys and cylindrical brass pendulum with ebonised wooden rod. Fine quality blued steel hands of spade design. Professionally overhauled by our FBHI horologist and mechanically guaranteed for 2 years. Delivery and installation of our longcase clocks is carried out free of charge within the U.K. For overseas customers a...
