Description

An antique full hunter pocket watch, Tarsh, Coventry. The watch has a Swiss stem-winding movement which is working nicely. The movement is protected by an inner hinged dust cover. The watch itself measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and it is in good condition with just minor marking, nothing serious at all. The winding crown pushes in to reveal a glass lens over a white enamel dial, both in lovely condition. The dial is signed with the retailer's name, J Tarsh of Coventry. The watch will be sent in a new presentation box. PRICE INCLUDES WORLDWIDE POSTAGE
