Description

This is an exceptional and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Vertex. It has a platinum case and the most exquisite diamonds which are incredibly white, bright and crisp. The total carat weight is approximately 1.75cts. It also has diamonds to the collars on the silk cord strap - elegant and very much in the classic Art Deco design. The dial is completely original, it has not been restored in any way and is in remarkable condition. It also retains its original 9ct white gold clasp, the silk strap can be adjusted to fit most wrist sizes. It comes complete with a presentation box. It is quite stunning, a new glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine. As you would expect from Vertex the watch is fully marked movement and the case is also marked platinum and has been fully tested. Vertex are one of the most exclusive makers in the world during the 1930s and this watch certainly has that understated elegance which resonates class. The watch diamond case measures 37mm long and 12mm wide not including the crown. Overall this watch is simply stunning and was...
