Description

Exquisite pair of antique French style side tables, with marble tops & decorative scenes on the drawers. They are in perfect condition, having just been polished & I would date them to around the 1930's period. These tables have pierced gilt bronze galleries on the tops & bottom tiers. They also have gilt handles, mounts & feet. The gilding is naturally aged & they are well defined. The marble tops are also matching & have beautiful veins. These table are finished off all the way around. They could work as side tables, lamp tables or even bedside tables. Width - 21.3", 54 cm Depth - 15.4", 39 cm Height - 28", 71 cm
