Description

This is an absolutely super antique early Victorian sterling silver novelty pepper pot in the form of an owl complete with original glass eyes. The hallmark on the back of the owl is slightly rubbed but the mark on the head is perfectly clear - it's hallmarked for London 1851 with the silversmiths mark for George Richards. He measures 3" (7.5 cms) tall and weighs 48.7 grams and is in excellent condition with lovely detail. Free worldwide fully insured shipping included in the price.
