Description

Antique Victorian carved mahogany or walnut upholstered sofa, with a deep buttoned back & curvaceous arms. The wood is finely carved around the back & down the cabriol legs, while the front rail is serpentine shaped. The feet sit on the original white porcelain casters, but one of the wheels is missing, so we will try to find a replacement of the same colour, or failing that something a bit different. This sofa is being sold as we obtained it. The upholstery is good, but I appreciate that it won't be to everyone's taste. Also, the frame is sturdy, but the polish has some wear. Consequently, this sofa is being sold for a very reasonable price. If someone wanted to have it re-polished & recovered it would cost in the region of about £500 for a good professional job with my polisher & upholsterer. Then you would have a piece worth about £1500, plus. The best thing is that the frame is very sturdy & the inside upholstery including the springs is all good. Length - 83", 211 cm Depth - 28.4", 72 cm Height - 43.7", 111 cm Seat Height - 17.4", 44 cm
