Description

A Victorian pine piece of furniture with a lots of character and charm, with some lovely natural unrefined knots and markings throughout. Starting out as a chest trunk, then later drawers were added to make a chest of drawers, hence the deeper than usual size of this particular piece. It still has the markings of where the carrying handles would have been. If you wish, we can replace these to give it an unusual feature. The dark mahogany knobs and feet make this particular piece really stand out from the rest, proving very popular with our customers at the moment. You can buy it as it is, in the bare natural wood for £320 Or we can wax polish it for you and the price will be £367 If you were thinking of having it painted, we would suggest a dark colour paint. We have recently painted two chest of drawers with dark knobs, in an "off black" colour and they looked fantastic. Please let us know if you would like to see an example of this. Height 31.5", width 37.5", depth 33.5"
