Description

This is a good looking dressing table with an incredible amount of work put into the detail. The blind fret across the drawer fronts is just the start, it boasts a lovely shape cabriole leg and shaped drawer fronts on the most useful little trinket drawers. The mirror has a bevel to the edge and is very nicely shaped. Cabinet furniture is all original. Not only does this look good on its own but we have a matching bedside cabinet that goes with. The Chippendale revival dressing table is £745 and the bedside £385, but we have a most attractive offer for the two of only £970. They are from the early 1900s and are both in excellent condition, both inside and out, and have a good rich mahogany colour. Overall height is 175cms, sizes below are for the table part.
