Description

Top quality 1920's cream leather fitted vanity case with all original gilded brass fittings. The case is in first class condition with no damage that I can see and hardly any wear. The lid is a bit tight but that is all. The inside has all its original material plus four out of five of the original dressing items. There are three brushes and a mirror all with orange enamel backs with gilded brass fittings. Even with the one missing item inside this is a beautiful and very useful size leather case and in being cream rather than the usual brown colour is more desirable. SIZE; 20" wide by 13 1/2" deep by 8 1/2" high CIRCA; 1920's
