Description

Pair of antique mahogany glazed bookcase of very slightly different heights. They are good quality with adjustable shelves & have a brass beading between the two doors. I am selling them as a pair because they were obviously made together & are the same width & depth. These bookcases are in fine condition & I would date them to around the 1890-1910 period. Width - 31.5", 80 cm Depth - 11", 28 cm Height - 48", 122 cm & 48.5", 123 cm
