## Description

A handsome late 19th century walnut "VIENNA REGULATOR", by Lenskirch in full working order. The walnut case features an architectural pediment and "restrained" turned columns either side of the glazed front door. The eight-day movement strikes hours and half-hours on a gong and retains its good original enamel dial which is in perfect condition. Signed to the back of the movement. 44ins (112cms) high overall.

Internal Ref: 1325
