Description

Black Lacquered Art Deco Sideboard Cabinet. A superb and extremely rare piece, the sideboard is finished in high Gloss Lacquer, all in Black apart from the scarlet panel on the front, this has a chrome decoration and chrome and Bakelite handles. The Classic design of this piece is unmistakably 1920s, Minimalist with a high shine, it has a small decorative etched chrome border on the plinth. The interior of the cupboard is also very plain it is in matt black with a drawer on one side, this has Bakelite onyx handles and the other side had a shelf but this is missing. The construction of the sideboard is solid but the back is ply wood it is in very good condition, there is minor chipping to the top edge of the sideboard and the baize lining of the cutlery drawer is very moth eaten. The cupboard is 48" long and 18" deep, it is 36" high. LF120
