Description

Stunning Victorian pair of baroque pearl, seed pearl, turquoise & diamond 18ct gold earrings. The earrings are unmarked but fully tested for 18ct gold. The earrings have a large baroque pearl at the bottom, natural green turquoise stone, natural seed pearls and sparkly old cut clean sparkly diamonds to the top. They measure 4.3 x 1.1cm, weigh 7.9 grams and are offered in good condition. Baroque pearls are some of the most fascinating organic gems available on the jewellery market. They are the ideal choice for bold women who want to show the world just how special they are. They are the absolute opposite of traditional pearls because each one has its very own shape and size. This makes them extremely easy to use to create gorgeous pieces meant to fit every style.
