Description

This stunning SOLID SILVER CREAM JUG was made by the well-known and sought after silversmiths of Elkington & Co. Standing on a raised base with a rope-twist edging, the jug is superbly embossed with a floral design and has a blank cartouche which could be used to personalise this lovely piece. The rim has a rope-twist edging and the jug is finished with a double scroll handle making this an exceptional piece. In excellent condition despite being over 115 years old, the jug is free from any added inscriptions, initials or monograms and would look lovely in any setting.
