Description

Very pretty small Royal Worcester vase of squat form with melon fluted sides and scrolled mouldings around the shoulders. Further moulded pattern around the small pedestal foot and reticulated band around the rim in the form of a chain externally. Beautifully painted with pink and yellow roses and with bronzed gilding highlighting all the moulded decoration. It measures 3 3/4" high and 3 1/2" wide. Condition is excellent. Fully marked to the base with date for 1911 and shape number 278. It may once have had a cover but the rim curves inside so that may not be the case.
