Description

Antique Swedish pair of upholstered armchairs with stunning tiger birch frames & legs. We have just brought these chairs over from Sweden. They have been French polished & professionally re-upholstered in a kind of velour fabric. They have hand coiled springs, new feather cushions & double piped like all my upholstery. I've never had this model before & I would say they are quite rare. I would date them to around the 1850-60's period, but it's hard to be exact. These chairs are in great condition too. Width - 27.5", 70 cm Depth - 27.5", 70 cm Height - 32.3", 82 cm Seat height - 18", 46 cm
