Description

Original antique Regency adjustable music stand in mahogany with brass fittings. This is very rare item is in excellent original condition & is very stylish for that period. The top section is adjustable & also can be raised up & down. The top section is designed in the form of a Lyre & has brass centre rods. There is a central turned pole which sits on a tripod base with unusual bottoms in the shape of barrels. This stand has loads of character & I would date it to around the 1820-30 period. Width - 19", 49 cm Depth - 15.8", 40 cm Height - 52", 132 cm - Extending to 64", 163 cm
