Description

Early Georgian mahogany foldover over tea table. Circa 1750s/1760s good condition nice proportions. Ready for use. A tea table this early 18th century is very rare indeed. We have several fine examples from 19th century but this is the only 18th century tea table within our entire and extensive stock. Very heavy solid typically plain featured. With a hint of a chippendale influence with the pierced fretted corner pieces, and square tapered legs on block chamfered edged feet. For its age this is in very nice honest condition. And very cheap today. Size; 29" by 30" by 16"
