Description

High quality large antique oval dining table in mahogany with a deep rosewood cross banding. This table is in excellent condition & has just been French polished. It's also very stable & the top can be taken off the base for easy transportation. This table has four swept out reeded legs with brass capped casters. I would date it to around the 1920-30's period. It can easily seat 6 people & possibly 8, because there are no legs in the way. The top has a lovely silky finish & a good patina. Length - 72", 183 cm Depth - 48", 122 cm Height - 28.8", 73 cm
