Description

Antique pine double wardrobe dating from 1890 in lovely condition for its age. The fake drawer fronts at the bottom are for decoration purposes only, leaving a large foot-well inside. As with most of our large antique wardrobes, this one "knocks down", so it totally dismantles. This makes delivery and access possible through any difficult stairway or doorway. The wardrobe does have its original hanging pegs, however we can fit a new brass hanging rail for you, and a shelf if your require it. Recently stripped, it is now in the bare wood and can be purchased like this for £850 Height 80", width 66.5", depth 28" internal depth 21.5"
