Width = 61 cm (24.0")

Depth = 117 cm (46.1")

## Description

This decorative telescope is in very original condition, it stands on a height adjustable base with its original paint finish which was designed to be used out side because of the spiked feet. The scope itself is brass with a stitched leather covering to the center section and bears stamped markings:

|                    |                                                                       |             |             |     |
