Description

Absolutely stunning 1930's Art Deco all peach mirror glass center table. This fabulous, glamorous table features thick cut bevelled peach coloured glass to all edges all resting on a Walnut feather band plinth. It has a fabulous conical shaped stem and is extremely heavy. These tables are very hard to source. This isn't a coffee table (please dimensions) but more a center table as it's taller than standard occasional tables. These are perfect for hallways or living rooms that you want to give the full "Fred and Ginger" look to. Overall condition is excellent, it does have a handful of very light surface scratches to the top as one would expect from a table this age. Measurements: Height = 24½" (Approx 62cm) Width = 24" (Approx 61cm) Diagonal = 29½" (Approx 75cm)
