Description

A very tall, slim Art Deco pine storage cupboard dating from 1930 in the bare wood ready for waxing or painting. It is in very good condition for its age and still has the original pretty glass panels at the top. There is a small, deepish drawer at the bottom and a very tall cupboard space with plenty of hanging room and a shelf at the top. We can fit a new brass hanging rail for you. If you would prefer to have shelves instead of hanging space, then we can fit these to your requirements. The door is right-hand opening. A very useful storage cupboard that would work well in a hallway to store coats etc, or in a bedroom or bathroom if you're short of space. This will look very nice once waxed or painted. Height 79.5", width 20.5", depth 20.5", internal depth 18.5"

Internal Ref: N1804B
