Description

A very tall, slender Art Deco pine cupboard dating from 1930. This is very similar to another cupboard we have for sale, the difference being this particular cupboards' door opens to the left. It is in very good condition throughout and makes a useful storage cupboard either in your hallway to store coats etc or in a bedroom to hang clothes, if you are short of wardrobe space. It would make a nice bathroom storage cupboard if you decide to leave the shelves in. We can fit a new brass hanging rail for you, or leave the shelves in depending on your requirements. It has the original pretty glass panels at the top and a small drawer at the bottom. It has recently been stripped to the bare wood and will look very nice once waxed or painted. Please contact us for a quote if you would like us to paint it for you. The price includes our professional wax polishing service. Height 78.5", width 20.5", depth 20.5", internal depth 17"
