Description

Very impressive & fine quality large antique mahogany display cabinet, with cupboards below. This cabinet is in excellent original condition & dates from around the 1890-1910 period. Please enlarge all the images to appreciate all the fine features, because I couldn't possibly describe them all. Check out all the fine satinwood & other inlays. The glass panels are all curved, to fit in with the bow fronted shape. It's quite a heavy item & does not come apart. The two glass shelves are fixed in the top section. The tapered spade end legs are strong & supported by the lower shelf between them. The internal lining fabric is dark blue & is in keeping with this piece. There is also a working key for the top & bottom cupboards. Please check the measurements, because it's quite large. Width - 48.5", 123 cm Depth - 19.3". 49 cm Height - 78", 198 cm
