Description

This mahogany bookcase from the late 1800s is in lovely tidy condition. It has the original glass in the doors and the original cabinet furniture which has an arts and crafts influence. The doors in the base has a good detail with the raised panels. The locks operate and actually still have a key after over 100 years. This piece of furniture has more flexibility than most bookcases as it has the open centre with the flat top, making a great space for using this as a server as well as a bookcase or a display case. The base offering good storage too. It is a good looking clean piece of furniture with good storage and lots of flexibility, sensibly priced for its condition too. One of half a dozen bookcases in stock.
