Description

A beautiful example of a fine Regency bracket clock by EVANS of LONDON. The flame mahogany case with a shallow, stepped and chamfered top surmounted by a gilded pineapple finial, retains it's original French-polished finish and has a rich, deep, warm patina. It has gilt brass carrying handles to the sides and stands on four brass bun feet. It has a 6" convex white enamelled dial with black Roman numerals and is signed "EVANS. LONDON" A key lockable, cast brass bezel with convex glass. The dial is totally free of any chips, cracks or crazing. A key lockable, glazed rear door. The 8 day, fusee movement has just been fully serviced by our own BHI registered staff. A very elegant clock indeed.
