Dropdial Fusee Oak Wall Clock

Price

Sold

Item Reference: SA447428

Date of manufacture: Victorian

Dimensions

Height = 56 cm (22.0")

Width = 40 cm (15.7")

Depth = 16 cm (6.3")

Description

An oak cased fusee drop dial wall clock of nice proportions. A 12" painted dial with unusual "heart of spades" hands. The 8 day fusee movement has just been fully overhauled by our BHI registered staff. A glazed panel to the lower half of the case through which the pendulum can be seen working. A key lockable door to the base of the case and a side opening inspection door. A nicely polished finish to the golden oak case. A good solid clock.
