Description

A lovely old pine farmhouse dresser dating from the end of the 19th century, it is in very good condition for its age. The top section has two glazed doors that open to a shelved cupboard which is sat upon two large decorative supports. The bottom section has two small drawers, with white porcelain knobs, and a single shelved double door cupboard. The doors on the bottom section open fully, which is very useful when accessing the cupboard. Recently stripped to the bare wood, it is now ready for waxing or painting. If you do opt to have it painted, please contact us for a quote. The price shown includes our professional wax polishing service. Height 78", width 45", depth 21"
