Description

1930 silver pocket watch originally retailed by Harris Stone of Leeds. The watch has a Swiss 15-jewel key-winding movement which is working nicely. The movement is protected with an inner fitted cover with the name Harris Stone, Leeds engraved upon it. The watch itself measures 52mm diameter excluding the stem and the loop. The case is silver and there are hallmarks inside the case back for Birmingham 1930, with a case maker's mark for Aaron Dennison. The case is in good condition with just minor surface marks and a little wear to the engine turned detail on the case back. The watch glass has a little marking where the sizing label was applied but barely noticeable to the naked eye. The signed dial is in super condition. The watch will be sent in a new presentation box. FREE WORLDWIDE POSTAGE
