

SA447956

Large 1920s silver English Lever pocket watch

Price

Sold**Item Reference: SA447956****Date of manufacture: 1920**

Description

Large 1920s silver English Lever pocket watch originally retailed by Betteridge Dudley. The watch has a key winding movement which is working well - a winding key is included. The movement is numbered 752713 and it has its original dust cover. The watch measures 59 mm diameter excluding the winding crown and the loop. The case has Birmingham hallmarks for 1920 with the case makers mark W.E (William Ehrhardt). The case is in nice condition with only the odd minor mark. The watch lens is glass and has a small nibble to the bottom edge but otherwise it is in nice condition. The white enamel dial is signed Betteridge Dudley, English Lever. The dial is in nice condition. The watch has its original hour and minute hands with possibly a later sub second hand although antique. The watch will be sent in a new presentation box. Price includes worldwide postage.
