Description

A charming 1930s Art Deco pocket watch. The watch has a stem-winding movement which is working nicely. The watch itself measures 45mm diameter excluding the winding stem and the loop. The case is gold plated and it is in lovely condition... the harlequin pattern to the case back is a particularly stylish feature. The acrylic lens is in good condition. The dial is also patterned to reflect the design of the watch back. It is in its original finish and there is a little marking but nothing too detrimental. The watch will be sent in a new presentation box. FREE WORLDWIDE POSTAGE
