Description

Beautiful antique Piano Stool with an upholstered seat and glass ball feet. The stool is of the finest quality and shows excellent workmanship. It stands on three turned legs with central turned column. The seat has been newly upholstered in a plush red with studded detail. The stool is adjustable in height and the seat spins to move it up or down. Approximate Measurements : Lowest Height : 20" (51cm) Highest Height : 24" (61cm) Diameter of seat : 12" (30cm) It is in very good condition for its age. The new upholstery is clean and tidy. The revolving mechanism runs smoothly with very minimal give side to side and even when extended all the way upwards the stool is very stable. The wood has developed a nice aged patina and has an attractive dark finish. It has been cleaned and polished and is ready for the home. It is free from any major knocks and splits and is overall a sturdy construction. It displays beautifully and is certainly a very usable piece. The best description comes from the photos so please look at them all carefully and if you have any questions at all please ask.
