Date of manufacture: Edwardian

Dimensions

Height = 71 cm (28.0")

Width = 74 cm (29.1")

Depth = 47 cm (18.5")

Description

This oval occasional table from the early 1900s is in lovely clean condition. The French polished timbers have good mellow colour and the sunburst inlays in the surface look superb. The legs are inlaid with a stringing and the lower platform mirrors the oval top. This is a very pretty example and as stated is in lovely condition. Can be a side table or possibly a lamp table but it would seem a pity to cover the impressive inlays.
