Description

A good pair of Art Deco armchairs with faux rosewood arms upholstered in a steel faux suede fabric. Having square backs with sprung seats this pair of armchairs date to circa 1930. The faux rosewood arms are shaped and polished to a piano like finish giving these chairs the classic Art Deco feel. Newly upholstered in an easy clean faux suede steel coloured fabric these chairs are very comfortable and will work in both a contemporary or traditional setting. Also it is not a problem to send out a swatch of the fabric to get a feel for the look and colour if needed. These very stylish chairs will work in most rooms of the house.
