Description

Genuine French Birdcage 8 arm Gilded Brass Chandelier from around c1910 dressed full of original large high lead content hand cut crystal drops. 102 crystals in total. Professionally rewired to electrics. The frame is solid and has a lovely patina which would fit in nicely in both period and modern homes; it has been sympathetically cleaned and restored without losing the patina. The chandelier has 8 arms with 1 bulb on each arm. There is a small Rams head motif on each arm. This chandelier has been professionally rewired and restored to the highest standard using only the best components, and ready for immediate installation. The visible wire is 3 core braided woven silk flex cable in a colour that matches the chandelier frame. So if you need to hang the chandelier with a long drop, the cable can be wrapped around the hanging chain neatly and looks aesthetically pleasing. MEASUREMENTS (all approximately) Height/Drop (no chain) = 77.5 cm / 30.5 inches Diameter = 69 cm / 27.25 inches Accessories: Solid metal chain and cast brass ceiling rose. UK delivery is £75.
