Description

Outstanding Omega solid 9ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch has the highly reliable calibre 351 'bumper' automatic movement. An Omega "bumper" is a vintage Omega that has a "bumper" automatic movement rather than a full rotation rotor automatic. The oscillating weight makes a partial rotation before "bumping" into a cushioning spring. The two tone dial with gilt baton markers has been fully restored so is in mint unmarked condition. It has gilt hands and the Omega logo on the winding crown. It has been professionally serviced and a new glass has been fitted and is in exceptional condition. As you would expect the watch is fully marked on the dial, movement and case. It comes with a brand new high quality presentation box. The solid 9ct gold case is fully hallmarked. It comes complete with a new premium quality chestnut brown leather strap. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34.5mm in diameter not including the crown. Overall thi...
