Description

This antique Swedish leather Chesterfield sofa is very stylish & has a great look, plus it's very comfortable too. It's deep buttoned in all the right places, with some hand studding & sits on strong tapered legs. I particularly like the square leather panels on the fronts of the arms & the colour is wonderful too. This sofa is in excellent condition, with no damage to the leather & I would date it to around the 1890-1910 period. Length - 75", 191 cm Depth - 37.4", 95 cm Height - 30.3", 77 cm Seat Height - 16.5", 42 cm
